

# ***balsam fir***

**Energy source:** SUN

**What eats it:** moose

**Uses it for habitat:** red squirrels,  
pileated woodpeckers, black-  
throated warbler

# ***black spruce***

**Energy source:** SUN

**What eats it:** red squirrel

**Uses it for habitat:** red squirrels,  
pileated woodpeckers, black-  
throated warbler

# ***Sphagnum moss***

---

**Energy source:** SUN

**What eats it:** nothing

**Uses it for habitat:** dragonflies,  
mosquitoes

# ***Pitcher Plant***

---

**Energy source:** SUN

**What eats it:** nothing

**Uses it for habitat:** dragonflies,  
mosquitoes

# ***Mallard Duck***

**What does it eat:** dragonfly,  
mosquito, woodlilly,  
phytoplankton, common shiner,  
fathead minnow, primrose

**What eats it:** Grey wolf, Bald  
Eagle

# ***Red Squirrel***

**What does it eat:** Balsam Fir,  
Black Spruce

**What eats it:** Grey Wolf, Bald  
Eagle, red fox

# ***Snowshoe Hare***

**What does it eat:** grasses, pink lady-slippers, bunchberry, wood lily

**What eats it:** Grey Wolf, Red Fox, Bald Eagle

# ***Red Fox***

**What does it eat:** bunchberry, snowshoe rabbit, deer mouse, red squirrel, black-throated warbler, belted king-fisher, river otter

**What eats it:** wolves

# ***River Otter***

**What does it eat:** common shiner, fathead minnow, belted-kingfisher, deer mouse

**What eats it:** wolves, foxes

# *Grey Wolf*

**What does it eat:** river otter,  
deer mouse, red fox, snowshoe  
hare, red squirrel, Mallard Duck

**What eats it:** nothing

# ***Moose***

**What does it eat:** balsam fir

**What eats it:** grey wolf

# ***Big brown bat***

**What does it eat:** mosquitoes,  
dragonflies

**What eats it:** snakes

# ***Deer Mouse***

**What does it eat:** balsam fir,  
black spruce, bird eggs, berries

**What eats it:** wolf, red foxes,  
river otter

# ***Loon***

**What does it eat:** common shiner, fatheaded minnow

**What eats it:** bald eagle, painted turtle (eggs)

# ***Black-throated Warbler***

**What does it eat:** mosquito,  
dragonfly, bunchberries

**What eats it:** black rat snakes  
(eggs), red squirrel (eggs), bald  
eagle

# ***Belted kingfisher***

---

**What does it eat:** fatheaded minnow, common shiner, deer mouse, bunchberries, mosquitoes, dragonflies

**What eats it:** red fox, black rat snake (eggs), bald eagle

# ***Bald Eagle***

**What does it eat:** fatheaded minnow, common shiner, deer mouse, belted king fisher, blackthroated warbler

**What eats it:** nothing

# ***Pileated Woodpecker***

**What does it eat:** ants

**What eats it:** eagles, red fox,  
rat snake

# ***Common Shiner***

**What does it eat:** fathead

minnow, mosquito, dragonfly

**What eats it:** belted kingfisher,

eagle, loon

# ***Fathead minnow***

---

**What does it eat:** mosquitoes,  
phytoplankton

**What eats it:** kingfishers,  
common shiner, bald eagle

# ***Painted Turtle***

**What does it eat:** insects, fish

**What eats it:** red fox

# ***Black rat snake***

---

**What does it eat:** deer mice, bird eggs, red squirrel

**What eats it:** foxes, bald eagle

# ***mosquito***

**What does it eat:** feeds on  
blood of mammals

**What eats it:** birds, fish

# ***Dragonfly***

**What does it eat:** mosquitoes

**What eats it:** birds, fish

# ***Phytoplankton***

---

**Energy source:** SUN

**What eats it:** fish

# ***Bunchberry***

---

**Energy source:** SUN

**What eats it:** deer mouse,  
snowshoe hare
